全新禮盒以「月光寶盒」為設計靈感,打造成六角形珠寶盒, 外觀沿用傳統中國紅色,充滿濃濃喜慶節日氛圍。 享用月餅渦後,禮盒還可循環再用作擺設或收納,充滿巧思。

Mid-Autumn Festival is about reunion with your family and loved ones. Golden Leaf honours the traditions and spirits of the festival with a selection of handcrafted mooncakes, from classic White Lotus Seed Paste with Egg Yolk Mooncakes, Mini Creamed Egg Yolk Mooncakes to the lately-debuted Mini Musang King Durian Mooncakes.

Inspired by the concept of "jewelry box under moonlight", the fully-revamped packaging features a well-polished elegant red design to evoke senses of warmth and elegance. The mooncake box itself encourages an eco-friendly lifestyle by being reusable after the festival.
